

AP Bio Summer 2010 Assignments:

1. **Select a book** to read from the list of acceptable books.-send an e-mail to Mrs. Wright This is first come first served and only one person may read each book.
2. **Read the book** and **take notes** on each chapter as you read. Then, **summarize** each chapter in the story in 1-2 sentences. **Do this in a notebook as you read the story.** **This will be due September 14, 2010. No late papers will be accepted.** (50 pts out of your project grade).
3. As you read, **look for three science facts/ procedures/ processes/ techniques** which are described and on which page(s) they are described. Complete the attached paper as your read to tell me what three science factoids you will research. (Book report info attached).
4. Make **vocab. flash cards** (3x5cards) for the prefixes/suffixes on the attached list. This will help all year! Find **examples of words** which utilize at least **(twenty-five) 25** of the pre-fixes, suffixes or root words and add them to your flash cards along with the page number on which you found the word _____(25 pts)
 - See attached directions.
5. You will have a **quiz** on prefixes/suffixes on Tuesday 9/14/10.

If you have any questions at all see me, call 229-2157 or e-mail nwright1@honeoyeo.org.
